

RAM® X-GRIP® MOUNTS FOR THE
IPHONE 6 & 6 PLUS

Patented & Pats. Pend. Now Shipping!

If you are looking for a compact mount for your iPhone 6 without that cookie cutter shape, you've found it. The RAM X-Grip® has a clean and clever four leg design that sports great holding power without hiding your iPhone 6 device behind foam pads and plastic. Simple to open and close, the spring loaded X-Grip® leaves the outside edge of your iPhone 6 almost completely free of annoying obstructions. Soft rubber fingers apply just enough force to keep your device in safe and secure. The perfect complement to the modern sleek interior of today's vehicles, the RAM X-Grip® is the iPhone 6 holder evolved. Compatible with a wide range of mounting solutions, your iPhone 6 is sure to find a home no matter where your travels take you.

**RAM® is the industry leader in iPhone
mounting solutions**
